

Accessories Checklist

- Teflon® Sheet** – Our most popular cover sheet leaves a smooth semi-gloss finish on Thermo-FILM®, Thermo-GRIP®, and vinyl. Durable and reusable – store flat to prevent wrinkling.
- Kraft Paper** – Leaves a matte finish on Thermo-FILM®, Thermo-GRIP® and vinyl.
- Teflon® pillows** – Apply even pressure across hard to press items with 3/4" foam core covered pillows. Works well with Thermo-FILM®, Thermo-GRIP®, GORILLA GRIP II®, vinyl and more. Use with V-necks, near heavy seams and as inserts for mesh and reversible jerseys. Available in five sizes:
 - 16" x 20"** – for jerseys and oversized shirts
 - 12" x 14"** – for adult shirts
 - 10" x 10"** – for youth shirts
 - 6" x 8"** – for shorts and shoulders
 - 5" x 18"** – for sleeves and legs
- Storage Boxes** – Keep inventory organized with corrugated cardboard storage boxes with plastic inserts.
- Heat Eraser** – Ideal for smoothing and cooling letters and numbers before removing the cover sheet.
- Layout Templates** – A three piece set, boards can be used as guides to create perfect arcs or straight layouts when using pre-cut letters and numbers.
- Thermo-Tape/tape dispenser** – Slip resistant with rubber base to provide sturdiness while using Thermo-Tape. Double core for 1" or 3" tape.
- Pre-Mask Tape** – An ideal solution for lettering caps and working with small lettering. Reusable.
- Solvent** – Removes Thermo-FILM®, Thermo-FLOCK® and Thermo-GRIP® lettering from most fabrics. Removes Thermo-GRIP® when used within 48 hours of application. Use in a well ventilated area.
- Lite-Tack Spray** – Clear adhesive spray will end layout frustration. Will not gum up embroidery needles. Use in well ventilated area.
- Print Perfect Pads** – Designed to elevate your print area and provide a solid surface for even pressure. Highly recommended for use with heat transfers and ideal for working around buttons, zippers and seams. Available in three sizes: 5" x 6", 3.5" x 15" and 8" x 10".
- Quick Slip** – This fitted Teflon® cover slips over the bottom platen, making it easy to slide on garments. It also reduces wear and tear on the bottom platen. Available in three sizes: 15" x 15", 16" x 16" and 16" x 20".
- Heat Press Platens** – Interchangeable platens allow you to heat apply graphics to a wide variety of garments and accessories. Available in three sizes: 7" Bagger - for round gym bags, 8" x 10" Tote Master, 6" x 10" - for sleeves, legs and youth garments.
- Cap Press Platens** – Interchangeable platens allow greater versatility when working with a variety of cap styles. Available in four sizes: 2.75" x 6.5" - for low profile caps, 4" x 6.5" - for full crown caps, 4" x 8" - for oversized caps, 3" x 5.75" - for low crown caps.
